Softball NSW Return to Play Resources

CLUB CHECKLIST

The resumption of Softball activity should not occur until appropriate measures are implemented to ensure the safety of all Softball members.

This checklist will provide Clubs and Associations with a basic tool to assist with risk assessment and mitigation strategies so you can safely return to play Softball in a COVID-19 environment.

It is essential that you educate and inform your volunteers and members of the risk mitigation strategies.

Please supply appropriate Guidelines to volunteers and members to ensure the required behaviours are followed. You should also display appropriate education materials throughout your facility.

For more information about Softball NSW's COVID Resource Library visit <https://nsw.softball.org.au/covid-resources/>
